Is this our Thomas? He does appear to have died in 1902. What about the incorrect age for Thomas - perhaps the asylum people weren't too careful about details. What about the incorrect age for Annie? Lying about her age for some reason? Is this our Annie? Maggie's age fits and she is trading in property traditionally owned by Gilmores.  <u>Whittingham Ayslum</u> <b>Thomas Gilmore 33 Lunatic</b>  <u>26-30 Penny St</u> <b>Annie Gilmore 29 Commercial House Keeper</b> Maggie Gilmore 10
